

# **VISION INTO PRACTICE**

## **A DIVE INTO OHIO'S STANDARDS AND MODEL CURRICULUM FOR SCIENCE**

### **A Three-Day PD Series**

This professional development series consists of three one-day sessions facilitated by a science specialist. Participants attend all three. The sessions are spaced to allow participants to discuss and apply ideas from each session.

Districts are encouraged to send teams to facilitate grade and/or vertical planning. Individual participants will have an opportunity for support with their individual planning.

GV-ESC can provide classroom coaching for implementation support. Please inquire for more information.

**Dates: January 16, February 13, March 5**

**Time: 8:30 AM – 3:30 PM**

**Location: Gallia-Vinton Educational Service Center**

## **PD Topics**

**Day 1, Standards 101- components of the standards and model curriculum including the newly developed "Nature of Science" section**

**Day 2, Instruction- implications of the revisions for both content and pedagogical shifts**

**Day 3, Implementation- transitioning to 2018 standards, curriculum planning, identifying quality instructional materials, and more**
