The Gallia County Health District reminds parents that children need most of their immunizations by the age of two years. **Please note, there are new immunization requirements for Kindergarten, 7th and 12th grade school entrance.** These immunizations are provided free of charge to children who qualify for Vaccine for Children (VFC) through 18 years of age. *Medicaid and Private insurance accepted.

All children should have a current immunization record and be accompanied by a parent or legal guardian. If you don't have a current shot record, please contact us prior to this date. Immunizations are always available. Monday- Friday 8 – 4 at the Health Department *Please bring insurance card at time of visit.

Sponsored by:
Gallia County Health Department, Gallia County Job & Family Services,
&
Gallia-Vinton Education Service Center (ESC).

Special Thanks to: Colony Club, Gallipolis Fire Department, Dr. Johnna Jorgensen, WIC, Sheriff's Department, and Area School Nurses

*Free Movie Passes to those who complete health education stations.
