

EXECUTIVE SUMMARY OF KEY FINDINGS *(excerpted from 22-23 end-of-year report)*

The program achieved **seven of the eight Program Performance Objectives (PPO)**. The objectives (PPOs) to be measured are established by the grant application submitted to the Ohio Department of Education. An evaluation plan was formed by the program leadership and the external evaluator at the beginning of the year to measure the program's impact. Listed below are the six evaluation questions used to guide the evaluation as well as related PPOs and graphic supporting data.

- Over 30% of the student body participated in the program.
- 79% of the students with a GPA under 3.0 to start the year demonstrated improvement.
- 45% of the students with an attendance rate of less than 90% the previous year improved their 2022-23 attendance rate.
- Over 330 students, parents, and family members participated in ASSET family engagements.

A. Stakeholder Satisfaction

Evaluation Question 6: What is the level of stakeholder satisfaction?

“Our program is vital to help meet needs of some of our most at-risk students.”
