River Valley High School

Site Coordinator: Amy Stanley

April 2023

The 2nd round of Driver's Education classes are being offered in the Afterschool program for the 2nd semester through Aceable Driving School and AAA. Students that are ages of 15 1/2 years or older in the afterschool program may take Driver's Educations free of charge. Students are given an Aceal Idriving school link to complete the required book work for driver's education which will take 12 days. If students attend the afterschool program for 30 days, the driving portion of Driver's Education will be through AAA and paid for through the STEPS Afterschool program which is a huge savings for the parents.

Students in the afterschool enjoy serving others with some community service projects. The most recent one was filling many plastic Easter eggs with candy for the Field of Hope located close by. They will hold an Easter Egg hunt for the community families this year.

ACT Boot Camp Learn to Score Higher

River Valley High juniors and seniors attended ACT Boot Camp provided by the Gallia-Vinton ESC that will raise their ACT score, help obtain more scholarship money, and improve admission to colleges. The six hour long seminar was held on the campus of University of Rio Grande in Heritage Room. Presenter, Jim Kebe, talked about the structure, academic content covered on the ACT, and testing and time management strategies students can employ to maximize their performance on the test. Students learn strategies to answer more questions correctly, how to decipher questions and specific academic content that is regularly tested on the ACT. By attending this seminar students received a comprehensive, 400-page reference workbook, access to additional practice test questions online, and free, live, phone-in, pre-test tutoring. Students was provide a meal in the student campus cafeteria.

Ohio University Basketball

On February 4, 2023, Afterschool students were able to travel to the campus of Ohio University to see the campus and to watch the college men's basketball game Miami vs OU. On the way, students stopped at Pizza Hut in Gallipolis to

have lunch. The students experienced the elaborate pregame and half time practices of the National Anthem sang by a student, unfolding of the nation's flag by the ROTC, and the energy and excitement of the crowd. Students watched the band section entertain the crowd with their music and enthusiasm as they performed. The students could see

the size of the campus and buildings such as the Convo Arena, dormitories, and classroom buildings. The children had a great day.

On April 11, 2023, Kona Ice visited the CHOICES Afterschool program on a very warm Spring evening with a cool flavored treat. The children love Kona Ice. They enjoy serving themselves and being able to mix the syrups to their liking. A great activity to end a great year.

Sign Up

June 6—July 13th

Watch for the sign-up packet coming out soon.

Academically get caught up or move ahead.

Summer Field Trip.

Get school supplies for 2023-24 school year.

Clothing allowance for 2023-24 school year.
