

# C.H.O.I.C.E.S. / S.T.E.P.S.

South Gallia High School

Site Coordinator: Carey Roberts / Karen Waugh

December 2022

Driver's Education is offered to students that are ages of 15 1/2 years and older in the afterschool program. Parents are asked to attend a meeting before the program starts to get information about the program and hear all the benefits of taking Driver's Education during the STEPS program. Parents are informed that when their student signs up for afterschool the Driver's Education book work portion of the course will be paid for by the afterschool program. Students can finish their book work in 12 days and receive a completion certificate that is needed to take the driving portion of Driver's Education. If their child attends the afterschool program for 30 days or more the driving portion cost of Driver's Education will also be covered by the afterschool program which is a huge savings for the parents and their families. Their child's driving education will be no cost to the parents at all.

## LaComedia

On December 10, 2022, students traveled to Springboro, Ohio to the LaComedia Dinner Theatre to get a taste of Broadway.

Performers that auditioned for the production ranged from New York City to local talent that put on a dazzling live musical comedy of the classic White Christmas. Before the performance, students were invited to the buffet that served chef-carved meats, deep-fried fish, pastas, vegetables, and their famous sweet potato souffle.

Students enjoyed this once in a life time experience.

## Pumpkins

Students in the C.H.O.I.C.E.S. and S.T.E.P.S. afterschool program used their artistic skills, imagination, to carve and create some unique pieces of art. The students used some creative thinking and problem-solving to create their own pumpkin creation. After the pumpkins we dry the students were able to take them home to be a part of their home decorations.
